

June 16, 1999

It is my distinct pleasure to inform you that your site has been selected to receive a "Special Achievement in GIS" award at ESRI's 19th Annual User Conference.

This award is being given to user sites around the world in recognition of their outstanding work in the GIS field. Your organization was selected to receive this award from over 100,000 sites worldwide. It is quite an honor.

The awards will be presented at a special ceremony on Thursday, July 29, from 3:30-5:30 p.m. in Room 6B in the San Diego Convention Center. This special event is open to all registered users and spouses are invited to attend the ceremony as guests. (Receipt of award does not imply complimentary registration. We hope that you or a member of your organization is attending the conference.)

If you (or your representative) are unable to attend the Award Ceremony you may pick up your award on Friday, July 30, at the Information Booth in the Grand Lobby of the San Diego Convention Center. The booth will be open from 9:00 a.m. to 12:00 p.m. All unclaimed awards will be mailed to the winners after the conference.

If you have questions regarding this award prior to the conference, please call:

U.S. Domestic Users: Denise Miller, 909-793-2853 ext. 1-1329 (ESRI Redlands)

International Users: Your local ESRI Distributor or Bonnie Mamanua, 909-793-2853 ext. 1-1709 (ESRI Redlands)

I commend you and your coworkers on a job well done and look forward to meeting you at the ceremony.

Jack Dangermond  
President, ESRI
